VIBE CHECK

CANDICE REDDING

A performer with burgeoning popularity, has combined electronic music beats with her unparalleled energy level to stir the hearts of millions nationwide and lifted the ambiance of one of the most renowned festivals in India, the EFFERVESCENCE of IIITA last year.

EFFERVESCENCE

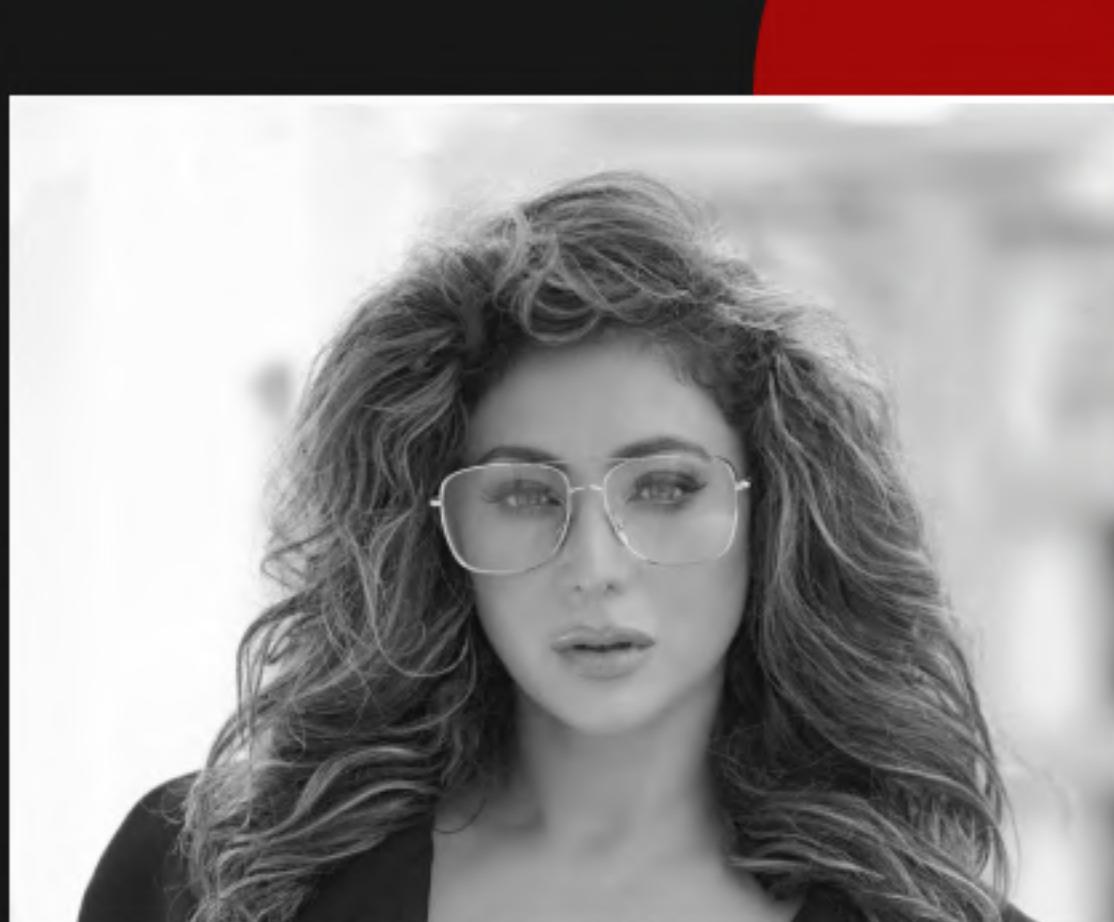

ASHWIN ADWANI

A self-made artist and inspiration to the current masses, framed a vibrant show as he added the exuberant notes to his melodic session. His unequalled spiritedness and zeal enhanced the acoustic experience of the EFFE'20 audience.

SHILPI SHARMA

Shilpi Sharma, a treasured actress, model, and a DJ with a knack for producing brilliant harmonies and several accomplishments to her name, greeted us live and engendered the sparks that illuminated the EFFE'20 with her avant-garde tunes and some engaging stories .

AVANTI NAGRAL

Avanti Nagral, an exclusive musical artist and creator, graced the EFFE'20 with her individualistic taste in music that challenges the societal norm and fashioned out one-of-a-kind sessions where she shared an array of her unique songs and theories.

THE SPINDOCTOR

One of the most sought-after DJs who has aggrandized many leading clubs/gigs/music fests nationwide, performed electronic dance music of variegated styles and brought to us a matchless vivacity and passion.

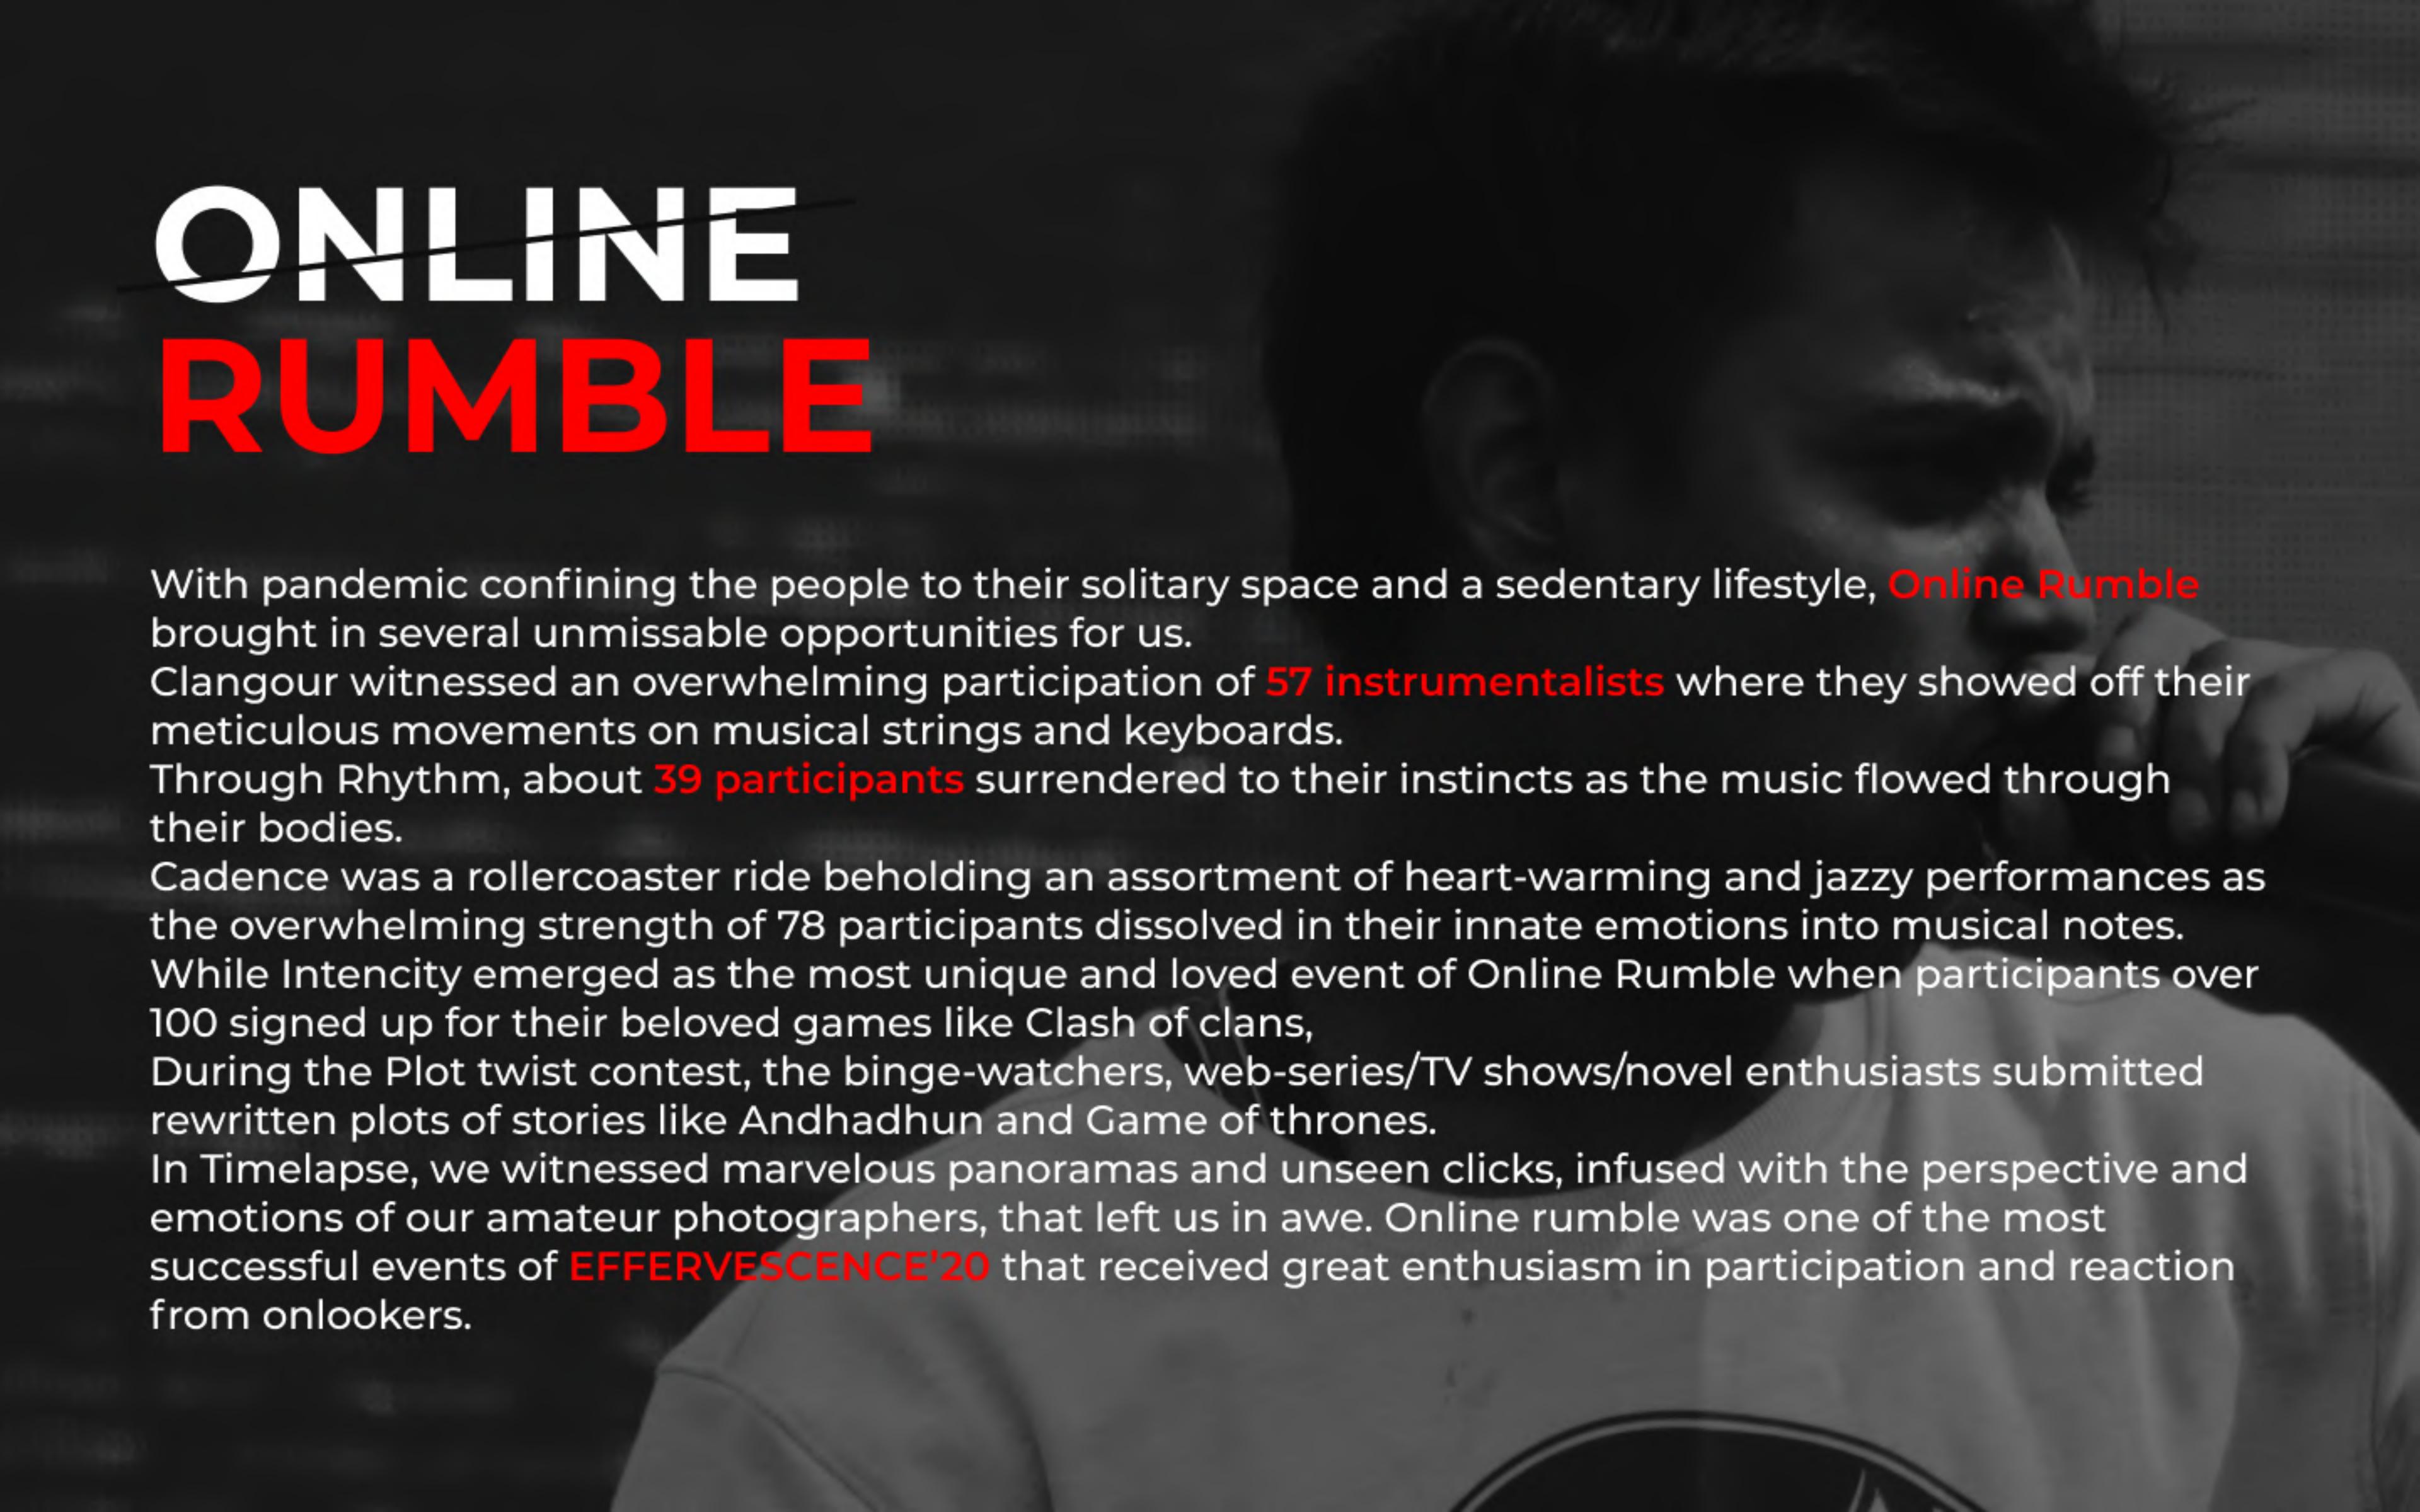

Vivek Desai

Yes, the modern sorcerer of the era, a mentalist, and illusionist who has the flair to fabricate reality and stupefy his audience. He cast his spells on the EFFE'20 audience and transformed the festival into a set of enchanting scenarios.

ONLINE RUMBLE

With pandemic confining the people to their solitary space and a sedentary lifestyle, **Online Rumble** brought in several unmissable opportunities for us.

Clangour witnessed an overwhelming participation of **57 instrumentalists** where they showed off their meticulous movements on musical strings and keyboards.

Through Rhythm, about **39 participants** surrendered to their instincts as the music flowed through their bodies.

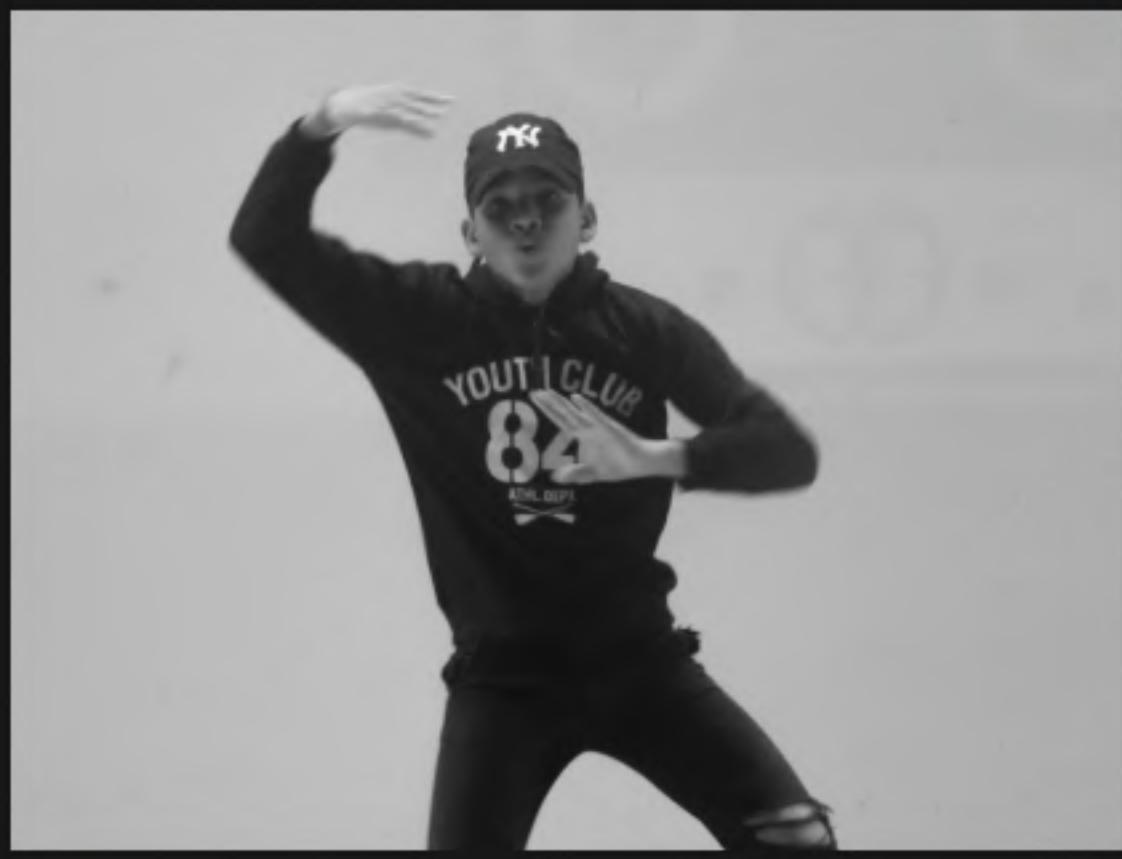

Cadence was a rollercoaster ride beholding an assortment of heart-warming and jazzy performances as the overwhelming strength of 78 participants dissolved in their innate emotions into musical notes.

While Intencity emerged as the most unique and loved event of Online Rumble when participants over 100 signed up for their beloved games like Clash of clans,

During the Plot twist contest, the binge-watchers, web-series/TV shows/novel enthusiasts submitted rewritten plots of stories like Andhadhun and Game of thrones.

In Timelapse, we witnessed marvelous panoramas and unseen clicks, infused with the perspective and emotions of our amateur photographers, that left us in awe. Online rumble was one of the most successful events of **EFFERVESCIENCE'20** that received great enthusiasm in participation and reaction from onlookers.

ONLINE RUMBLE

RHYTHM

With pandemic confining the people to their solitary space and a sedentary lifestyle' rhythm brought in an unmissable opportunity for us to surrender to the music beats and our dormant moves to let the liveliness flow throughout our bodies and rekindle the sleeping cells.

INTENCITY

EFFE'20 sure had a chance for all to shine! Gaming is one popular hobby of youth and lockdown certainly had led to an exponential increase in interest in games. Intencity emerged as the most unique and loved event of Online Rumble as participants in huge numbers signed up for the beloved games they have been playing for months with such dedicated passion.

CADENCE

A mellifluous tournament with such a diverse range of cheery to smoky voices. It was a rollercoaster ride beholding an assortment of heart-warming, jazzy as well as soul-stirring performances greeting the audience as the participants dissolved in their innate emotions into the most divine form of human expressions.

CLANGOUR

It was one of the most successful online rumble events that witnessed the unheard melodies generated from an array of several instruments ranging from the latest pop electronic devices to traditional veena by our exceptional participants.

PLOT TWIST

The plot of a movie, novel or web series is the heart of the setting, it maketh or breaketh the excitement of the viewers. Just like an unexpected change in the direction of web series and movies, 'Plot Twist' gives you the chance to get hold of all the strings and provide alternative endings to your fantastic web series and movies. Participate and tell us your version of the story, and stand a chance to win big.

Please read all the rules carefully.

Registration form link in the description.

TIME LAPSE

Thanks to this peculiar theme of time-lapse, we witnessed marvelous panoramas and unseen clicks that captured the existence of some entities in their most esthetical state infused with the perspective and emotions of our amateur photographers. The event received overwhelming love from the audience who felt impassioned as they saw the world through the estranged lenses.

PLOT TWIST

It brought to the binge-watchers, the web-series/TV shows/novel enthusiasts their dream opportunity to give their solitary imaginations the luxury of fame; to change the flow and rewrite the plot for their favorite shows they have stayed awake for hours to watch. A wide range of submissions including not only some happy endings for the regretful moments but also some eccentric plot twists that left us shell-shocked.

SUNBURN

Over 400 folks danced to Basshunk's electronic bass-heavy tunes tune that rocked the sunburn campus platform. The DJ night witnessed overwhelming energy from the enchanted audience moving to his enthusiastic beats.

An astounding and stupendous performance by Mariana Bo. A unique blend of modern music and electronic violins, the Mexican DJ's upbeat rendition set the virtual stages of Effe'20 on fire.

OMBRE

ENCHANTED EFFERVESCENCE event, one of the most exciting musical experiences of the festival, was accessed by an audience of about 150 through the OMBRE APP live. This 8-day event featured nationally renowned artists like Vaani Bhasin, Singer-Songwriter-Believer, who won many a heart as the audience rejoiced in her honey-voiced jam. In her interaction with the event hosts and live audience, she shared a few personal adventures followed by several performances on request and her song 'Bewafa'.

The musical zephyr fashioned out by the sensational vocalist Akshit Baheti was a stress-relieving and fun session as he performed custom songs that had the audience bursting in laughters followed by funky to Sufi songs.

The multi-talented Aryan Sharma, an actor, you-tuber, and voice artist, left the audience in awe as he switched from 'Mitwa' to 'Thinking Out Loud' in seconds.

Rahul Sherekar greeted the audience with some of the most soulful melodies of the era like 'Tum se hi' by Mohit Chauhan matched with excellent guitar skills. 'IIITA's rising star' winner Kavita featured live in the stream where she bewitched the audience with the song 'Kaise Hua' by Vishal Mishra.

Zinnia Chaturvedi, a trained Western Vocalist from the renowned Trinity London College of Music, had the audience swinging in her 'free wind' like voice as she performed songs like 'all of me' by John Legend in her unique tone. During this session, the audience participated in IIIT KA QUIZMASTER, and later the three winners Shivang, Jahnavi, and Shreya were announced by Zinnia at the end of the session.

Abhimanyu Sharma, a marvelous vocalist, wrapped the event with classical symphonies like 'Aa Re Sakhi More Piya Ghar Aaye' by Balkrishan Sharma and M. S. Nizami Brothers, in his mesmerizingly warm voice.

SUCCESS & OUTREACH

Effervescence, IIIT Allahabad is among the perky and groovy cultural festivals of the north. Taking forward the legacy, Effervescence 20 immeasurably outshined the previous editions. This online version of the fest was even more enthralling and mesmerizing with top-notch performances, engaging events, and enthusiastic participation.

Despite it being an online event, the team managed to put together one of the most scintillating fests witnessed till date. Electrified aficionados carolling, pranced around to the rendition of their fav artists such as RCR, Vishal Mishra, Vaani Bhasin, Aryan and appreciably more.

Generous number of exceedingly accomplished shared their views and wisdom during their talk-shows. This was an up-shot of the unwavering support and inspiration from all our sponsors and associates. This edition has left everyone awe inspired and anticipating for the next version.

WORD FROM THE TEAM

“ **Effervescence 2k20** was a whopping triumph, kudos to the zealous endeavour of the organising squad and the sponsors , who assured that all wheels budge in chorus and the carnival went without a hitch. Greetings to each and every.”

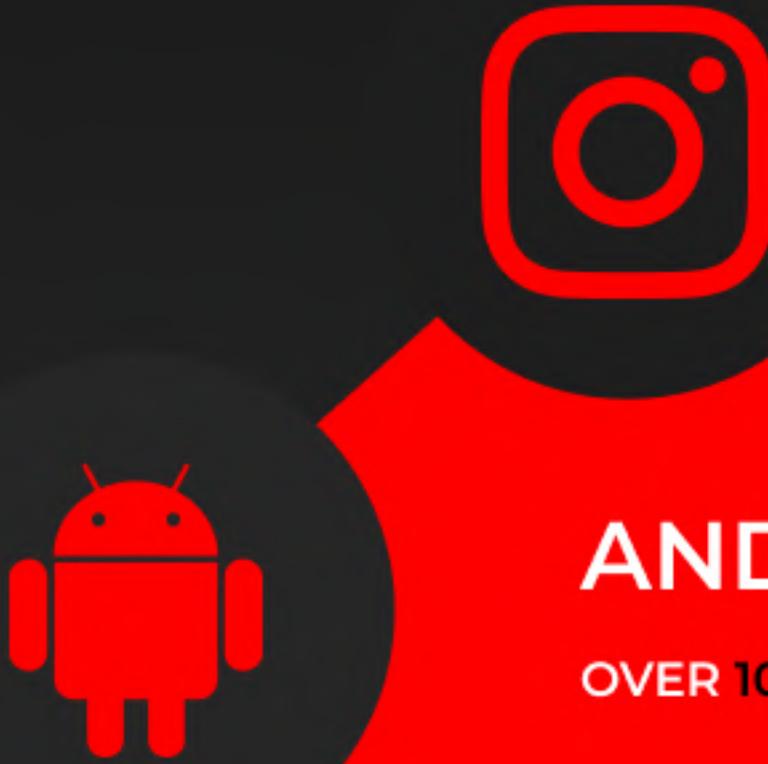

-Dr.Vijay k. Chaurasiya
(Faculty advisor, Effervescence'20)

“For every man jack who believes not a sausage is impossible. Effervescence 2k20 is witness of the faith that our team and our sponsors fostered, and enlivened a festival that would be tough to pretermit. One and all in the team has worked diligently for months in making this fest prosper beyond reckoning. We'll continue to bloom, I would like to thank all and sundry amalgamated with Effervescence 2k20 making this fest mighty and finer than ever.”

-Shashwat Sinha
(Overall Coordinator, Effervescence'20)
